The 2010 HHSEG One Day Conference in the Management of Health, Safety and Environment, offers you a unique opportunity to;

Hear experts explain the case for a common sense approach to occupational safety, health and environmental success within the workplace.

Meet Company Directors, Executive and Senior Management,
Health, Safety and Environmental Professionals.

Gain information and guidance on successful (SHE) management.

Discuss and develop skills for solving or minimising (SHE) problems in the workplace.

Gain knowledge from the experience of eminent speakers; enjoy the benefits of networking with other professionals.

Who Should Attend

Company Directors, Executive and Senior Managers in both the private and public sector, all those with Health, Safety and Environmental responsibilities within their organisations, Safety Professionals, Business Risk and Insurance Managers.
