**Conference Speakers**

## **Opening address – Jim Neilson**

### **Jim Neilson, Head of Sensible Risk Management – A Regulators Perspective -**

Presents a case for dealing with negative elements that affect their current and future standing in the field of Health & Safety

### **Neil Budworth - Past President of IOSH -**

An IOSH perspective on unreasonable demands and the work of Health & Safety Professionals calling for the return of Common Sense.

### **Dr Grant McMillan - Occupational Health - New Challenge and Change -**

High standards of health & wellbeing make good business sense. They should not be optional extras-ignored, avoided or resisted at every turn-but a golden thread running through every aspect of the enterprise, promoting productivity and profit for all.

### **Dr David Arrell-ProVice Chancellor Portsmouth University - Business, Insurance and Litigation -**

Speaking on, Influences of Modern Health & Safety on Business – with a plea for a more practical and common sense approach to their findings.

### **Peter Kelly, Environment Agency - Enforcement without Reward -**

Presentation for effective Waste Management Policies that support business in a call for common sense, support versus unreasonable legal persuasion.

## **The 2008 H.H.S.E. Group One Day Conference in the Management of Health, Safety and Environment, offers you a unique opportunity to;**

Hear experts explain the case for a common sense approach to occupational safety, health and environmental success within the workplace.

Meet Company Directors, Executive and Senior Management, Health, Safety and Environmental Professionals.

Gain information and guidance on successful (SHE) management.

Discuss and develop skills for solving or minimising (SHE) problems in the workplace.

Gain knowledge from the experience of eminent speakers; enjoy the benefits of networking with other professionals.

### **Who Should Attend**

Company Directors, Executive and Senior Managers in both the private and public sector, all those with Health, Safety and Environmental responsibilities within their organisations, Safety Professionals, Business Risk and Insurance Managers.

**A Certificate of Attendance will be given to each attendee at the end of the conference**
